

PROJECT BACK TO SCHOOL

Giving homeless children the school supplies they need to succeed

ABOUT THE PROJECT

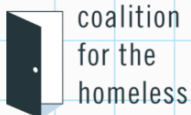

To maintain COVID-19 safety precautions, Project: Back to School is once again asking for monetary donations so that we can purchase and fill more than 4,000 new backpacks with essential supplies for homeless schoolkids throughout the five boroughs. A simple donation can make all the difference in giving a homeless child the tools needed to start the school year off right.

ABOUT THE COALITION

The Coalition for the Homeless provides eviction prevention, crisis services, permanent housing, job training, youth programs, and items such as food, clothing, and PPE to New Yorkers without homes. We also fight tirelessly for the systemic changes need to eradicate mass homelessness once and for all. Since 1981, more than one million homeless New Yorkers have found a way off the streets thanks to the Coalition.
